## RWANDA UTILITIES REGULATORY AGENCY

### Public Notice

#### Request for Comments on Provisional LPG Guidelines

In line with the government policy of promoting the use of Liquefied Petroleum Gas (LPG) and in accordance with the mission of Rwanda Utilities Regulatory Agency (RURA) provided in the law N<sup>0</sup>39/2001 Of 13 September 2001 establishing an Agency for the regulation of certain public utilities, **you are kindly requested to provide before the end of April 2010, your comments and inputs on the provisional LPG technical guidelines prepared by RURA.**

These guidelines aim at improving security and preventing accidents during transportation, storage and distribution of LPG.

For individuals and/or companies already involved in LPG operations in and outside the country, your contributions will be highly appreciated and will inevitably contribute to the development of LPG market in Rwanda.
